Mrs. Mary Greene Wilson,
Mt. Pleasant, Texas.

Dear Cousin Mary;

I have yours of Jan. 14th. addressed to Durward. He has not yet returned and will not return until about the 15th of February so I am sending your letter on to him at Manchester England, in care of the Midland Hotel. He is making a business trip as well as some pleasure. Today he is in Nice, on the 18th. he is to be in Cannes, the 19th in Marseilles. 21st. in Lyons. 23rd. to 25th. back to the City of Paris and from there he takes a run over to Manchester England to spend four or five days and expects to sail for home some time during the first week in February at which time I will meet him in New York. I know he will enjoy reading your short note.

I am glad to know that you have fully recovered. I am going to see all of you people some time this spring out in Texas and will come when you are least expecting me.

With sincere regards to all the family and with my usual good wishes I beg to remain

Yours most truly,
